

Buffalo Figure Skating Club (BFSC)

Consent for Use of Jump Harness

Skater's Name _____

Parent/Guardian _____

I consent to the use of a Jump Harness in the teaching of my/my child's figure skating.

In understand that: 1) The Jump Harness was professionally installed at the Buffalo Civic Center Ice Area. 2) a belt will be attached to my/my child's waist in order to assist with a jumping action off of the ice surface. 3) the rope and pulley system, which are part of the apparatus, are attached to a wire that is stretched over the ice surface; and 4) the skater is pulled along and then lifted during the jump by a trained skating instructor.

In addition, an Off Ice Jump Harness may be used for similar training (without the use of skates) above a padded surface of the concrete floor of the ice arena, to simulate the actions taken on ice. I have inspected the Jump Harnesses and related apparatus. I understand and assume responsibility to assure that I/my child will only be allowed to use the Jump Harnesses with a trained skating instructor approved by the BFSC.
