Buffalo FIGURE SKATING CLUB

LEARN TO SKATE CLASSES

Come Skate with us on Saturdays!

We are dedicated to using Ice Skating Institute (ISI) standards for advancement of skating skills used for figure skating. Our goal is to provide a productive and fun atmosphere for students age 3 and older, of varying abilities, to advance their skills!

- All group classes are 30 minutes.
- Helmets are strongly encouraged for all skaters and are required for Tot and Pre-Alpha classes.
- Class size is limited to 5 - 12 skaters depending on level. In the event of low enrollment some classes may be canceled or consolidated with another level or time slot.
- It is common for skaters to stay at their skating level for more than 1 session.
- We offer ISI sanctioned, hockey-specific skating instruction for tots through Mite and U8 levels. No sticks allowed, we focus on skating skills.
- No parents or older siblings allowed on the ice
- No refunds.
