

# Skating through the Decades

Register for the BFSC 2023 Spring Skating Show, open to BFSC club skaters and all skaters who participated in a 2022 - 2023 Learn to Skate class (Fall or Winter classes). The show is on **Sunday, April 30th at 2:00pm**

\*Learn to Skate members will skate in two numbers:

- 1) a group number with others in a similar skating level    2) the closing number of the ice show.

**Registration Fee: \$140**

\*\*BFSC members will skate in the opening number, a group number with others in a similar skating level, and the closing number of the ice show. They may also perform one solo program or partner program with another skater, practiced during regular BFSC ice time.

**Registration Fee: \$175**

\*\*\*A detailed practice schedule with times when specific group numbers are to be rehearsed will be made available shortly after the ice show registration deadline. Keep in mind, your skater may not be skating throughout the entire rehearsal, as ice time needs to be divided up between all of the group numbers. All group numbers will contain skaters with similar skating levels, so they could contain any combination of skaters from the BFSC and/or LTS.

Show rehearsals are mandatory. It is very difficult for groups to practice if all the skaters are not at rehearsals, therefore, if a skater misses more than 1 unexcused rehearsal, they will not be able to participate in the group numbers. If you know you will miss due to a vacation, please let us know the date asap.

**Registration Fee** includes ice time for rehearsals and show, decorations, small group costume (skaters will keep after the show), coaching costs, Ice Show T-Shirt, and 2 tickets to the ice show. Family discount of 20% on additional registrations.

**Registration is due by Saturday, February 11th**
